Protect your home from Burglars.

Points to remember:

- Always lock your windows and doors, garages and outbuildings
- If you are going on holiday, make sure newspapers and mail don't pile up as this can be an obvious sign that a house is unoccupied
- Do not leave spare keys for your home or car 'hidden' in places like an unlocked garage, or under a doormat
- Don't leave valuables on display
- Ask a neighbour or friend to keep an eye on your property while you are away
- Keep details of valuable items such as televisions and mobile phones recorded and kept somewhere safe and secure. Take photographs of very valuable items for insurance purposes and always keep a copy
- Look out for other people in your area; if you see something suspicious, call the Police
- Use a good lock to secure your bike and never leave it unlocked and unattended.
- Always lock cars, even if they are parked in a closed garage. Never leave ignition keys in the car or nearby.
