

### Additional Information

All positions within the States of Jersey Police require security checks to be carried out on the applicants and their immediate family members mentioned on the application.

These checks can take some considerable time to process which in turn causes a delay in the setting up of the interview board.

We respectfully ask that all applicants are patient and please be assured that all applicants will be contacted as soon as possible.

In order to help speed up the process it is imperative that all information requested on the application form is completed e.g. precise dates of birth together with the town and country of birth.

We also ask that your availability for interview is clearly stated under Section 10 of the application form.

Failure to complete all requested information/details may result in the return of your application and missing the deadline of the short listing process.
